

The height of fashion  
now no longer means  
the depth of despair

Face it, the time that you spend in those fine looking shoes are pure agony. You put it down to the price you have to pay for looking sensational.

Well, not any longer.

Our range of exquisitely crafted ladies footwear both looks and feel great.

Drop by at one of our stores. It's about time you had an elevating experience.

# Small agonising steps in those exquisite new shoes?

So over.

No. You don't have to grit teeth and succumb to agony to look beautiful.

We believe shoes can look and feel great at the same time.

Our range of exquisitely crafted ladies footwear will enchant, exhilarate and elevate your state of being.

Visit one of our stores. You'll most likely stride out with confidence.

Give those sneakers  
back to the boys.

Now feeling good and looking good can mean the same thing. At least when it comes to our line of exquisitely crafted ladies footwear.

Choose from our range that will enchant, exhilarate and elevate your state of mind.

Yes, slip into something beautiful and comfortable. Let the boys do the running...

# Stylish, Supportive, Comfortable...

## Yes, we are talking about your **sole**mate

Funny how looking for the right pair of shoes has a lot in common with the search for the right person in your life.

While we can't guarantee to fulfill the latter, when it comes to looking for a pair of shoes that look and feel fine, you need look no futher.

Our range of exquisitely crafted ladies footwear will enchant, exhilarate and elevate your state of being.

Visit one of our stores. We promise it'll be good for your sole.
